

Large Donations Needed To Pay For New Skating Rink

Good progress has been made on the first project of Didsbury's Memorial Community Centre, the covered skating rink, and the cement foundations have all been put in and actual work is now going ahead on the building, which it is hoped to have partially completed in time for this winter's skating.

Material is now on hand, or being shipped, to put up the main part of the building, but the sad part of the whole set-up is that the committee in charge of the project hasn't sufficient funds at their disposal to pay for the work and material already contracted for, and with rising prices the building will now cost considerably more than originally estimated.

The estimated cost of the new covered skating rink, when completed, has been placed at approximately \$35,000. To date the committee has raised \$11,553.74. This is comprised of \$6553.74 received from the previous drive, and \$5,000 from previous efforts of the Lions Club. This leaves about \$24,000 still to be raised by public subscription.

The committee in charge of financing the project is now canvassing for funds, and the response so far has been good, but not good enough. Make no mistake about it, the Memorial Community Centre, which is going to cost money, and the citizens of Didsbury and district will have to make some sacrifice if they are in some small measure to repay our boys and girls who made the Supreme Sacrifice overseas so that we at home could live in peace and comfort, and at the same time reap

the benefits of higher incomes due to war conditions. Now, in memory of these boys the community is building a community centre and you, as a citizen, are expected to pay your share for favors already received.

Other towns in Alberta are building community centres as war memorials, and some citizens in these towns have given as much as \$1,000. (This was the case in High River and Innisfail). They didn't give this large amount particularly because they could afford it, but because they considered they owed this to the local boys who never returned from battles they fought for them during the war.

While all of our citizens in town and district cannot give as generously as in these other towns, many of them can give a good sized donation, and being in the higher income tax brackets can still save a large portion of their donation which would otherwise go to the Income Tax Bureau. (Those who might consider this a little out of the ordinary can get full information from our local income tax specialists, C. E. Reiber or H. Lynch-Staunton).

The campaign for Community Centre donations is now gaining momentum and will be carried into the country as soon as time permits. Make up your mind now to donate to this fund and to donate generously. This will be the last appeal in which donors can get deductions from their income tax for war charities, so when the campaign calls make your donation as large as possible.

FORTY YEARS AGO

October 25, 1907

John Liesemer's new block is completed and "George the restaurateur man" has moved into one of the large stores.

P. Pallesen, manager of Pallesen Bros. Dairy in Calgary, was in town this week looking after a supply of milk for his company.

Monday was cattle shipping day in Didsbury and 12 carloads were shipped, mostly to P. Burns.

The price of bread has increased two cents a loaf in other parts of the province, but in Didsbury the old price remains. However, the size of the loaf has been reduced to local consumers.

The Mounted Police are after Mr. Bellamy of the Ghost Pine district on a charge of stealing cattle. Several hides were dug up from under the stable floor which bore the brand of a different owner. He is also accused of branding cattle with his own brand before they were weaned, said calves also belonging to another party. He has left for parts unknown.

JUNIOR W.A. ENTERTAINS SENIOR W.A. AND FRIENDS

The Junior W.A. of Knox United Church held their regular meeting at the church on Monday, October 24th, and entertained the Senior W.A. members and friends.

The Junior members all dressed as ghosts and the seniors were to guess who each member was. Mrs. E. Kercher won the contest.

The gathering was in the form of a kitchen shower of articles for the church kitchen, and gifts were opened by Mrs. Bruce Parker.

Mrs. Reid Clarke and Mrs. B.T. Parker gave interesting reports on the cavalcade meetings held at Red Deer on October 23rd. Plans were also made for the Christmas bazaar to be held on December 6th.

MRS. O.W. HEMBLING DIES AT OYAMA, B.C.

After years of illness and suffering, borne with Christian fortitude, Mrs. O.W. Hembling, nee Mrs. O.W. Hembling, beloved wife of O.W. Hembling, who passed away peacefully at her home at Oyama, B.C., on Sunday, October 19th, in her 70th year.

Born in Bruce County, Ontario, in 1878, she was married in Calgary in 1900 to O.W. Hembling, and resided in the Didsbury district until 1917 when she moved to Oyama, B.C., where she has resided until the time of her death.

Surviving besides her sorrowing husband are three sons, Clarence of Penitence, B.C., George of Vernon, B.C., and Edgar of Vancouver, B.C. Three daughters, Mrs. W.A. Thom of Vernon, Mrs. O.C. Higgs of Nelson, B.C., and Mrs. J.A. Freeman of Vancouver. One brother, E.E. Beamish, Vancouver, and two sisters, Mrs. Bert Brown, Didsbury. Also fifteen grandchildren.

Burial took place in the Vernon cemetery on Wednesday, October 22nd.

TOWN AND DISTRICT

Mr. and Mrs. Ed Carleton spent the first of the week in Calgary.

The next meeting of Knox United Church W.A. will be held at the home of Mrs. W.W. Gilric on Friday, November 7th, at 2:45 p.m.

Last Saturday W.P. Shultz received a telephone call from an old school chum in Bloomington, Penn., stating he was leaving the next day for Didsbury to pay him a visit and go big game hunting. Mr. Shultz said the phone call was as clear as if it had come from Didsbury.

Whist and bridge will be played at the card party to be held in the Lions hall on Friday, November 7, at 8:30 p.m. Proceeds in aid of the Lions Club community projects. Everybody welcome.

ANGELICAN YOUNG PEOPLE TO ORGANIZE GROUP

A number of young people of the Didsbury Anglican Church motored to Olds Wednesday evening, October 22 and joined with the young people of the Olds Anglican Church in an evening of social entertainment.

The local people attending have decided that an A.Y.P.A. should be formed in Didsbury and a meeting will be held on Wednesday evening for this purpose and all young people interested are cordially invited to attend. The meeting will be held at the home of Mr. and Mrs. Joe Freeman and will start at 8:30 p.m.

TAXPAYERS TURN DOWN M.V.B.S. TAX EXEMPTION

The Plebiscite on whether or not ratepayers of the Town of Didsbury were in favor of granting tax free property to the Mountain View Bible School was taken on Monday, October 27th, and the result was 75 "yes" and 145 "no" with seven spoiled ballots, for a total polled vote of 227.

The vote taken Monday does not decide the question, however, as final decision rests with the Alberta Legislature.

OFFICIAL VISIT OF O.E.S. GRAND CHAPTER OFFICERS

There was a large turn out of members and visitors on Friday night, October 24th, for the official visit of Worthy Grand Chapter officers of the Grand Chapter of Alberta, to St. Hilda's Chapter No. 27 of the O.E.S., Didsbury. Distinguished visitors were: Mrs. Keohane, Worthy Grand Matron of the Grand Chapter of Alberta, Medicine Hat; Mr. Harry Channey, Worthy Grand Patron, Standard; Mrs. H. Channey, Grand Representative of Florida, Standard; Mrs. Miquelon, Grand Representative of New York, Olds; Mr. W.T. Youngs, Assistant Grand Patron, Banff; Mrs. W.T. Youngs, Grand Secretary, Banff; Mr. Charles Stuart, Past Grand Patron, Carstairs.

There were also visitors from Olds, Carstairs and Acme Chapters. At the banquet held after the meeting Mr. H. Bowman was toastmaster and proposed the toast to the "King." Geo. Parsons proposed the toast to the Grand Chapter, which was responded to by Mr. H. Channey. The toast to the visitors was proposed by Miss Joyce Morgan and responded to by Mrs. Archie Boyce of Olds, Mrs. Youngs of Banff, and Mr. Youngs, also of Banff.

FINAL REMINDER

The clothing drive for the needy Europe ends this week end. Have you sent that parcel you intended to send in? Don't fail these needy ones; they will be so grateful for whatever you can spare. Receiving centres in Didsbury are the J.V. Berscht and E.G. Ranton stores.

WALTHER LEAGUE MAKES PLANS FOR STAGING PLAY

A brief but interesting Walther League meeting was held at the home of Mr. and Mrs. E. Jans on Tuesday, October 21st. Since the topic leader for the evening was not present the meeting began with a number of business matters. First, final arrangements were completed for the Walther League Rally for October 26th. Following this a number of plays were handed out for reviewing so that at the next meeting one could be selected for presentation. The Leaguers were also encouraged to support the Christian literature subscription campaign in order that more Christian literature come into the homes.

The last part of the meeting was an open forum discussion of a great number of items. A sing-song, quiz and a tasty lunch brought the meeting to a close. The next meeting will be held on November 4th, at the home of Mrs. Annie Krebs.

BOYS AND GIRLS COLLECT 5724 CROW, MAGPIE FEET

Ed Grange, chairman of the Predatory Bird Control committee of the Didsbury Fish and Game Association, reported at a regular meeting Monday night that 5724 pairs of crow and magpie feet had been collected in connection with the local association's campaign this past summer.

In the competition among the local boys for most feet of predatory birds turned in, Raymond Fulkert heads the list with 967 pair; Ken Holmquist is second with 884 pair; Vern Neufeld, third, with 520 pair and Roy Smallwood, fourth, with 500 pair.

The association discontinued paying \$5 per pair of feet bounty on predatory birds last July, but the campaign does not officially end until November 30, when valuable prizes will be given to the boys with the highest standings.

WORLD SERIES BALL GAMES THIS WEEK END AT THEATRE

This week end, October 30 and 31, and November 1st, patrons will be able to see a world series baseball game in progress on the screen. The picture will show American League champions take the seventh and final game from the Brooklyn Dodgers as 73,000 watch under sunny skies in Yankee Stadium. Newsreel cameras inside the Yankee dressing room, and Joltin' Joe DiMaggio speaks on behalf of the players.

Fish and Game Association Banquet on December 15th

Ken McCoy presided at the regular meeting of the Didsbury Fish and Game Association, held in the Lions Hall on Monday evening, October 27th, and a good turn out of members was on hand to hear the various reports and discuss new business.

Ed Grange, who reported on predatory control, suggested that a winter campaign be conducted on magpies and it is expected that his suggestion will be carried out next winter if finances permit.

Charlie Mortimer reported that fishing had been good this summer in the streams tributary to Didsbury, but not quite up to the standard of former years. He stated that Mrs. Jack McCoy weighed in a Rocky Mountain Whitefish

(Graying) at 1 lb. 8 oz.; Arnold Bode a pike weighing 6 lbs., 10 oz., and Russell Ady a Loch Leven trout weighing 2 lbs., 13 oz. These were the largest fish entered in the competition and suitable prizes will be awarded to the winners at a future meeting of the Association.

Russell Ady gave a short resume of his first goose hunting trip and E. Houleau reported that ducks were not as plentiful this year in the Didsbury district, but that the annual migration of geese was greater than for a number of years. However pheasants in the Rosebud creek and Rockyford districts were less numerous than a year ago.

The entertainment committee suggested that the association hold a Fish and Game banquet again this year and the date was set for Monday, December 15th. Plans call for a sumptuous meal, providing the big game hunters get the meat, and a suitable program will follow.

The members decided to send cards to two sick members, Slim Goodwin who was severely hit on the leg by a stallion, and Jack Topley who is under observation in a Calgary hospital.

The Association is very anxious to protect the deer brought in last winter from the Waterton Lakes area. These deer have increased and hunters are asked to refrain from shooting them, even though seen in the area west of the Calgary-Edmonton highway, which is open for big game shooting.

LADIES' SPORTS CLUB HOLD HALLOWE'EN PARTY

Sixteen members of the Ladies' Sports Club thoroughly enjoyed an evening of fun at a Halloween party held in Betty's Beauty Salon Thursday evening, October 23rd. Everyone came masked and dressed in appropriate costumes and as each member arrived there was much speculation as to "who was who." There were many surprises when the masks were finally removed.

Games and competitions were played and a delicious lunch put the finishing touch to a very successful evening.

The next meeting will be held in Betty's Beauty Salon at 8 p.m. November 6th. The club is becoming increasingly popular with the young married women and business girls of the town. The membership now stands at 19, and anyone wishing to join will be most welcome at the meetings.

PIANO FALLS ON CARSTAIRS GIRL; BREAKS LEG

Caught under a falling piano during a Mission Band meeting, Irene Riddle of Carstairs was brought to the Didsbury hospital last Monday, suffering from a broken leg, but has since returned home.

A number of children were playing tug-of-war when the accident occurred. One group backed into the piano upsetting it on the Riddle girl, whose leg was broken above the ankle.

W. P. T. B. Lifts Ceilings on Barley, Oats, Screenings, Meats

More price ceilings and restrictions were eliminated by the government last Wednesday when ceilings came off meats, oats, barley and screenings.

Prices Board said that the new move would mean that price ceilings will no longer apply to barley, oats and screenings when used for any purpose. Wheat, flaxseed, rapeseed and sunflower seed remain under price control.

Price ceilings will no longer apply to meat and meat products, other than lard and tallow. The order requiring defatting of beef carcasses will remain in effect. All slaughter control regulations are revoked.

All processing or other service charges relating to any of the items removed from control are also suspended.

The announcement added that in order to "ensure fulfillment of Can-

ada's overseas commitments of livestock products and in view of the shortage of feed grain in Canada the government reiterates its policy of allowing no exports of oats and barley during the current crop year."

HALLOWE'EN

Friday night, October 31st, is Halloween and no doubt, as in years past, the children are looking forward to a big time. Probably not the times that the parents had in their younger days, when they thought they were privileged characters on the one night of the year, but a good time. The present day children like to dress up and make the rounds for Halloween handouts, and if they put up a good entertainment for the householders they are usually rewarded.

This year the Halloweeners will again be asked to accept shell-out tickets in aid of the community skating rink, in place of regular treats, but no doubt at least a few of our citizens will stretch the point and add the usual "goodies".

We do not want to see the Halloween fun discontinued for traditionally it is part of our year's activities, but we do not want to see wilful damage and spiteful acts substituted for good, wholesome fun.

School teachers and parents should warn the boys and girls against property damage, explaining that if they are apprehended they will face court action and damage claims, which are not only a mark on their character, but a disappointment to parents.

Children, by all means have a good time on Halloween but refrain from doing property damage and other little acts than annoy townspeople.

UNNECESSARY ADVICE

Perhaps it is because Canada is a small country that so many visitors from abroad feel that they should advise us to copy some other country. In any case we Canadians continually find it necessary to subdue our resentment and speak kindly to our visitors. Last week James Crawford, a labour (socialist) M.P. from Britain said in Toronto that Britain's troubles, which include a reduced standard of living for her people, came from the failure of her former allies to help her carry her burden.

Another socialist, Morgan Phillips, asked Canadians to accept socialist (C.C.F.) rule so that all Empire countries would be under socialist domination. As Canadians enjoy the highest per capita income and greatest prosperity of all Empire countries one is inclined to wonder at the arrogance of those from other countries who would ask us to give up the advantages we have.

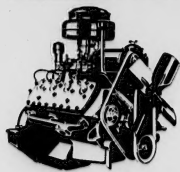

I do not look for perfection in my friends; they might expect it in me, and then I would have no friends.

5% DISCOUNT EXPIRES

Ratepayers of the Town of Didsbury are reminded that the 5% Discount on Current Taxes expires on Friday, October 31st.

MOUNTAIN VIEW NOTES

Jack Winterbottom has completed the foundation for his new home with some help from neighbors.

Mrs. John Bruce and daughter, Virginia, are spending the week visiting relatives in Calgary and Olds.

Mr. and Mrs. Barney Elliott visited over the week end at their homes in southern Alberta.

Mrs. John Brander and daughter, Sheila, visited for a few days at the home of the former's parents, Mr. and Mrs. W. Bruce.

The Beef Calf Club meeting which was to have been held on Saturday, October 25th, has been postponed until Saturday, November 1st.

Mr. and Mrs. Garnet Tighe spent Sunday visiting Mrs. Tighe's sister near Acme, and motored to Carbon and Drumheller.

WESTCOTT NEWS NOTES

The Westcott pupils had school last week after a three week holiday on account of the teacher's illness. Mrs. Gordon Ford and Mrs. Wilfred Owens very ably substituted and so our boys and girls are back at their studies again.

Miss Marian Korschuh of Didsbury spent the greater part of last week helping her aunt, Mrs. Allen Korschuh, with the threshers.

With another week of good weather the threshing and combining should almost be finished in this district. Dare we hope for just a little more Indian Summer?

At long last the grading and graveling is finished on the Westcott road.

Mr. Herbert Goetjen accompanied Mr. A. Brusco to Red Deer on Saturday last for the municipal convention.

MELVIN NEWS NOTES

Don't miss the Red Cross dance at Melvin on November 7th, with Anderson's orchestra from Bowden. Electric lights will be supplied by Clayton Johnson for the evening, free of charge.

Mr. and Mrs. J. Richardson and Frankie visited at the Dupont home Sunday and Monday.

Leslie Jackson had the misfortune to injure her knee last week and is receiving treatment in the Didsbury hospital.

NOTES FROM THE WEST

Mr. and Mrs. Turner from north of Swift Current, Sask., visited last week with the latter's sister, Mrs. O. Blain.

Mrs. K. Korschuh and Mrs. S. Johnston were Calgary visitors on Friday.

The Elktion Willing Workers met at the home of Mrs. C. Byrt last Wednesday and tied the quilt which is to be given away. The card wool for the filling was donated by Mrs. K. Korschuh and Mrs. Campbell Sr.

Mrs. A.A. Hogg spent a few days last week with her parents, Mr. and Mrs. C. Wilson, west of Cremona.

Mr. and Mrs. F. Byrt went to Calgary Friday and returned Saturday.

Mr. and Mrs. P. Luft were super guests Sunday evening with Mr. and Mrs. Gordon Bevis.

Mr. and Mrs. M. Campbell Jr. spent Sunday with the latter's parents, Mr. and Mrs. E.W. Lowrie.

Threshing is almost completed in the Elktion district with varying results. Some crops yielded exceptionally well, while others acted as though caught by an early frost.

SPECIAL REDUCED FARES FOR REMEMBRANCE DAY

Special reduced fares for Remembrance Day, November 11th, to be in effect on Canadian Pacific Railway lines have been announced by Earl Brinton, ticket agent at Didsbury.

The low rate of single fare and one third for the round trip will be good between all stations in Canada and in all classes of accommodation.

Tickets at the reduced fares will be available November 10th until 2 p.m., November 11th, and will be good to return leaving destination up to midnight of November 12th. On branch lines where there is no train service on November 12th, tickets will be valid to return to midnight, November 13th.

CARD OF THANKS

I wish to thank my neighbors and friends for their kindness and assistance at the time of the fire last July.

JOE DALTON

Washington statistics show women's life expectancy at birth is 69 years; men's 64—a gain of 18 and 16 years respectively since the beginning of the century.

NOTES FROM THE EAST

The calf club meeting for the Jutland district, scheduled to be held October 25th, was postponed until November 1st, and will be held at the home of Lloyd Haynes.

Mrs. J. Hunter and Mr. and Mrs. O. Brown were business visitors to Olds on Saturday.

Mr. Fred Metz, Mrs. Dunn and Mrs. Dowell and Evelyn were Red Deer visitors Saturday. Fred was attending a municipal convention.

Mr. J.D. Thomas was a Sunday guest at the Fred Metz home.

Messrs. Corney and Henry Prohl of Sunnyslope were Sunday visitors at the W. Coates home.

Mr. D.L. Fobes spent the week end in Calgary with his brother and sister-in-law, Mr. and Mrs. Ian Fobes.

Mr. and Mrs. Fred Nelson and family, Mr. Hugh McLean and Miss Ethel Noble, all of Calgary, spent Sunday visiting with Mr. and Mrs. Clifford Nelson.

This week end saw the final operations of most of the threshing in the district.

Last Thursday Ivor Weber made a trip to Sundre for a load of lumber, and found roads not too bad for the amount of moisture in that district this fall. He was also surprised to see so much threshing all along the way.

Ladies, the W.I. meeting will be held at the home of Mrs. R. Eckel on Saturday, November 8th. Wear a poppy for roll call.

WEDDINGS

KUPSCH-PLANT

A double ring ceremony was solemnized in St. Peter's Lutheran Church, Edmonton, at 7 P.M. Saturday, October 11th, when Laura Nina, youngest daughter of Mrs. H. Plant and the late Mr. Plant of Didsbury, became the bride of Mr. Benno Kupsch, eldest son of Mr. and Mrs. Edward Kupsch of Bruderheim.

Rev. A. J. Mueller of Edmonton performed the ceremony, assisted by Rev. E.G. Wiltgrude of Bruderheim.

The bride, given in marriage by her mother, wore a floor length gown of cream satin and net, with round neckline and lily point sleeves. Her full length veil was held in place by a head dress of white daisies. She carried a bouquet of red carnations and lily of the valley, and wore a single strand of pearls, the gift of the groom.

The bride was attended by Miss Ethel Broadhurst of Didsbury, who wore a floor length gown of blue taffeta, with matching hat, and carried a bouquet of yellow chrysanthemums.

Mr. Walter Kupsch, brother of the groom, was best man, and Mr. Elmer Kupsch, also a brother of the groom, was usher.

Miss Betty Lou Bronce was organist. She was gowned in yellow with a bandeau of yellow button mums.

After the ceremony a reception for 34 guests was held at 10035-113 street.

For receiving the bride's mother wore a grey crepe dress, with black accessories and corage of American beauty roses. She was assisted by Mrs. Kupsch, wearing black faconne crepe, with black accessories and cream roses.

Mrs. W. Houston of Calgary, sister of the bride, poured, and Misses Lillian Kupsch, Margaret Saunders

and Helen Heppner assisted in serving. The table was centred with a tiered wedding cake. Rev. Mueller proposed the toast to the bride.

For travelling the bride wore a medium brown wool suit, dark brown gabardine top coat and rose accessories.

Mr. and Mrs. Kupsch will reside in Bruderheim.

\$2 WHEAT IN 1948-49

(By H.G.L. Strange)

Ottawa announces that Canada and Britain have agreed on a price of wheat of \$2.00 basis 1 northern Fort William for 140 million bushels of wheat that Canada will supply to Britain during the crop year starting August 1st, 1948. Our Canadian farmers have been promised over and over again that in the third and fourth year of the Agreement Britain would add such an additional price to the world price as would reimburse our farmers for the 123 million dollars lost on this 1943 first year of the Agreement. Taking 88 cents from \$2.00 leaves \$1.12 which is the world price to which wheat would have to fall if the losses to our farmers of 123 million dollars are to be reimbursed. No one can see into the future, but it seems most unlikely, to me at all events, that the price of wheat will fall to anything like such a level.

Should the price of wheat be \$2.00 which might happen, then Britain would not be reimbursing our farmers one single cent on the loss of 123 million dollars they have suffered during this past year.

Mr. Fitzgerald, Secretary-General of the International Emergency Food Control tells us that it will be 1952 before European agriculture will be back to its production.

Production of potatoes in Alberta this year is estimated at 1,838,000 cwt. compared with 2,051,000 cwt. last year. This year's potato acreage was 24,500 as compared with 26,300 acres last year.

CANADIAN CONCESSIONS WHEN U.K. CUTS IMPORTS

Raw materials required for the manufacture of goods for export will have priority in the British import program over raw materials which would go into the domestic market, and therefore reductions in the import of newsprint and lumber may be anticipated. Also, certain foodstuffs such as canned salmon, apples and poultry, coming predominantly from dollar areas, will be among the first to be eliminated. These cuts are modified as far as Canada is concerned by the current understanding that only fifty per cent of imports from Canada need be paid for with U.S. dollars, the balance coming from Canadian credits. In the case of non-ferrous metals, such as copper, lead, zinc and aluminum, the British Treasury has directed that all other hard currency sources of these raw materials are to be eliminated entirely before any reduction is made in imports from Canada.

P.F.A.A. PAYMENTS

It is anticipated that some \$16,000,000 will be paid to farmers in the prairie provinces this year because of crop failures. Such payments are provided for under the Prairie Farm Assistance act. Following is the basis of payments.

Where the average wheat yield in a township is more than 4 bushels to the acre and not more than 8 bushels, \$1.50 an acre.

Where the average wheat yield is not more than 4 bushels an acre, \$2.50 per acre.

The average payment is made on half the cultivated land of the farmer and in no case is paid on more than 200 acres.

Up to October 9th, applications for P.F.A.A. payments were received from the provinces as follows—Manitoba 200, Saskatchewan 1,891, Alberta 1,400.

THIS GLOOMY WORLD

(Harper's Weekly, October 1837) It is a gloomy moment in history. Not for many years—not in the lifetime of most men who head this paper—has there been so much grave and deep apprehension; never has the future seemed so incalculable as at this time.

In France the political caldron seethes and bubbles with uncertainty; Russia hangs as usual, like a cloud, dark and silent upon the horizon of Europe; while all the energies, resources and influences of the British Empire are sorely tried, and are yet to be tried more sorely, in coping with the vast and deadly Indian situation, and with its disturbed relations in China.

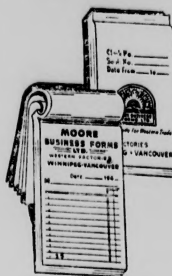

It is a solemn moment, and no man can feel an indifference—of which, happily, no man pretends to feel—in the issue of events.

Of our own troubles (in the United States) no man can see the end.

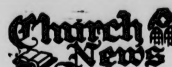

ATOMIC EXPERIMENTS ON ENGLISH RAILWAY TRAIN

The Atomic Scientists' Association, with the cooperation of Britain's Ministry of Supply, is organizing a travelling train Exhibition on Atomic Energy which will start at the beginning of November, touring 26 towns in England, Scotland and Wales. The aim of the exhibition will be to give the public the basic facts of atomic energy and explain its implications; its destructive and constructive purposes. The exhibition will be fitted in two coaches. Scientists will be in attendance to answer any questions and to give additional explanations. It is planned to organize at the same time Atomic Energy Weeks in each town visited, when lectures and film shows will take place. There will be, in collaboration with various local organizations, public meetings, "brain trusts" and conducted parties for schools.

It's great to ride in
BIG-CAR QUALITY
... particularly when you ride at
LOW COST!

Even the spacious trunk compartment tells you that you can't get a body like this anywhere except on Chevrolet and higher-priced cars. It's a United Body by Fisher, with the most modern styling, genuine No-Draft Ventilation, extra-rummy seats, and every feature for your comfort, convenience and safety.

CHEVROLET

Yes, indeed, you'll enjoy everything, including economy, when you set forth in one of these bigger-looking, better-looking Chevrolets for 1947. It offers you BIG-CAR QUALITY AT LOW COST — big satisfaction at big savings — in all items of purchase price, operation and upkeep.

With all its thrills for the eye — for the pulse — and for the thrifty pocketbook — Chevrolet also provides all-around security for its passengers. It brings you Fisher Unitized construction — the Knee-Action Ride — Positive-Action Hydraulic Brakes — a combination of features found only in Chevrolet and higher-priced cars!

Remember — it will pay you to keep your present car in good running condition by bringing it to us for skilled service, now and at regular intervals, until you secure delivery of your new Chevrolet.

CHEVROLET

A PRODUCT OF GENERAL MOTORS

Starter — accelerator — action! Threading through traffic — leveling a hill — streaming along the straightaway... you'll get plenty of action in this outstanding low-cost performer. For beneath that hood is a Valve-in-Head Thrift-Master Engine with the longest, strongest record of performance of any automotive engine built today.

Settle back, settle down — and you'll settle for a new Chevrolet! For your own thoughts will tell you there's no other car in its field that rides like this — so smooth, so steady, so safe! That's the direct result of Unitized Knee Action, and Unitized Knee Action is exclusive to Chevrolet and higher-priced cars.

SECOND SERIES

Kansas, key winter wheat state, reports poor conditions for the 1948 crop. Winter wheat seeding is usually completed by September 15.

This year on that date much seeding was still to be done. Surface and subsoil moisture conditions are below average.

CANADIAN POPULATION NOW OVER 12,500,000

Canada's population has been boosted over the 12,500,000 mark by a population gain of 275,000 between June 1, 1946, and June 1, 1947.

This was disclosed by the Dominion Bureau of Statistics which estimated the June 1, 1947, population at 12,582,000 compared with a population of 12,307,000 on the corresponding date of 1946. The gain in the year was the largest numerical increase for any year since Confederation.

The increase since the last Dominion-wide census was taken in 1941 was 1,075,000, a gain of more than nine per cent. All provinces except Prince Edward Island showed higher population figures in 1947 than they did in 1946. The Island's population remained unchanged at 94,000.

Population of Ontario, Quebec and British Columbia made the largest gains. Ontario's population rose 88,000, Quebec 82,000 and British Columbia's 41,000. Alberta showed a gain of 19,000, Manitoba an increase of 16,000, and Saskatchewan an increase of 9,000. New Brunswick's population rose 11,000, and that of Nova Scotia by 9,000.

Estimated population by provinces (totals for the preceding year in brackets): Prince Edward Island, 94,000 (94,000); Nova Scotia, 621,000 (612,000); New Brunswick, 491,000 (480,000); Quebec, 3,712,000 (3,630,000); Ontario, 4,189,000 (4,101,000); Manitoba, 743,000 (727,000); Saskatchewan, 842,000 (833,000); Alberta, 822,000 (803,000); British Columbia, 1,044,000 (1,003,000). Estimates for the Yukon and Northwest Territories were 8,000 and 16,000 respectively.

WALTHER LEAGUE RALLY AT MELVIN OCTOBER 26

With the weather man smiling down on Alberta the Walther Leaguers of Southern Alberta and their friends assembled at the Melvin Hall for their annual fall rally on Sunday, October 26th. The rally was sponsored by the Walther League of Redeemer Lutheran Church, Didsbury. Representatives from the three Lutheran churches of Calgary, Claresholm, Torrington and Trochu were in attendance.

A very lively and interesting sports program was carried out under the leadership of Didsbury sports committee consisting of Erhard Reinhardt, Jack Krebs and Karl Reese. The trophy awarded to the society winning the most points in the sports program, and which has been held for three successive times by the Claresholm society, was won by the Torrington society.

Two highly interesting topics were presented in the afternoon session. Mr. Bert Fell of Mt. Calvary Lutheran Church, Calgary, spoke on "The Importance of Bible Study." He stated that Bible study has, to a great extent, become a forgotten element in Christian life today. But as Christians we must know something of Jesus. This alone we can learn from the Bible. The topic was followed by a practical demonstration of a topic under the leadership of Allan Elfert, also of Mt. Calvary, entitled "Baptism, in the Lutheran and Baptist Church."

The second topic was presented by Mrs. Dan Purdy of Jehovah Lutheran Church, Calgary, entitled "The Importance of Youth Rallies." It was shown that rallies are held for a threefold purpose: Educational, Recreational and Consecrational. All three are to create a better Christian fellowship among the members of the various societies. The topic brought forth some lively discussion.

During the business session it was voted that the Southern zone of the League remit the collection of the evening consecrational service to the relief of war sufferers in Europe. The collection amounted to over \$70.00.

The rally was brought to a close with a consecrational service conducted by Pastor Fox who spoke of the words of St. Paul to Timothy: "Keep that which has been entrusted to you." He showed that God has entrusted to the youth of the Church the age old message of Jesus Christ which alone can bring comfort, hope and trust to the hearts of men the world over. He stated: "Today the dangers of losing this precious Gospel are greater than ever before. The devil, the world and our own flesh, because they know the time allotted to them to seduce men is growing shorter, are marshalling all their forces of evil and attacking the Christians to rob them of the glorious hope that is within them."

THE PRICE OF GOOD SEED

(By H.G.L. Strange)

Prices for Registered and Certified seed for this year have been established. Seed growers, representatives of Crop Improvements Associations, such as the "Crop Testing Plan" and others, which distribute seed at no profit to themselves, representatives of Provincial Governments, and of the Dominion Plant Products Division, recently met and agreed upon uniform prices. The prices to be paid to seed growers have been increased over last year, based on the knowledge that Parliament will increase the price of wheat and make it retroactive for 1945 and 1946, but seed growers do not receive any participation certificates from the Wheat Board, so they are obliged to add to the price of seed the benefits they would have received had they sold their seed as grain to elevators. It is hoped, therefore, that when farmers get these higher seed prices they will remember that for the extra time, expense, effort and work seed growers are obliged to expend, that they are still receiving but a modest return for their additional work. If Registered seed is now at a comparatively high price, do not let us forget that the quality of this seed is even higher.

FARM MACHINERY

The Canadian farmer is making increased use of machinery. Even with the limited supply of farm equipment available during the war years, wholesale sales in the 1940-45 period amounted to \$298.5 million. In 1945 sales amounted to \$63.8 million—more than double the average for the years 1936-39.

The largest increases in sales were tractors, milking machines, potato planters and diggers, combines, manure spreaders and hay machinery. Nearly 90,000 tractors of all kinds were sold in the years between 1940 and 1944, a marked increase, as there were only 159,000 tractors on all farms in 1941.

Naturally some of the machinery was purchased to replace worn-out or obsolete items, but the Dominion Bureau of Statistics estimates that the investment in farm machinery even after allowing for machines that have worn out, and depreciation, increased by \$50 million between 1941 and 1946.

hence, the youth of today must watch and pray that they lose not what has been entrusted to them. The Walther League of Didsbury, with the very generous and capable help of the Redeemer Ladies' Aid, provided an evening meal for all present.

The Essential Link

IT'S THE LOCAL TOUCH THAT REALLY COUNTS

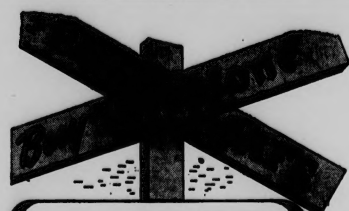

The magnetic power of local news to win and hold people's attention is as fundamental as human nature itself. Local news begins to play its part in a man's life with a one-line notice announcing his birth. Progress in school, participation in sports, graduation, engagement, marriage follow... each likely to figure somehow in local news.

Then comes the upward climb in business, perhaps an entry into politics, almost surely some activity in civic, religious and social affairs... each step productive of news that's of vital interest to self, to family, to friends and fellow townspeople. So it goes till death itself writes the final story.

Only in the Hometown Weekly Newspapers can people satisfy their craving for this kind of news, their unceasing curiosity about what goes on close to home. And only there can they find every week the local buying information they need. Which explains very largely why people read The Didsbury Pioneer so eagerly and thoroughly, and why such weekly newspaper advertising produces such satisfactory returns.

Local Business Men cannot afford to neglect these buyers who live in Didsbury and district, and are so well served by

—: DISTRICT NEWS:—

BEGREN NEWS NOTES

Mrs. Esther Clemens is visiting relatives and friends in Bergen. Mrs. E. McTurk of Ayr, Scotland has been visiting her sister, Mrs. J.J. Davidson. She made the trip over by plane and returned home Tuesday via the same route.

Eddie Adams is out East on a threshing outfit.

Fred Bernt and Bill McCorrough are holding sales early in November.

Reuben Olson has his new barn ready for shingling. It also has a cement floor.

The Eskesen Bros. have made a nice new road through the Gamble lease. The road was built to enable them to get to John Haug's timber and also to reach timber on section 29. A Mercury super deluxe, or any other car, can get to Niche creek over this road.

CREMONA NOTES

Bill Dinzey has arrived home from B.C., where he has been employed on a road travelling project.

Mrs. Gillespie of Saskatchewan spent a few days visiting her sister, Mrs. George Camps of Cremona.

A fire of unknown origin broke out in the school's kindling pile on Friday but no serious damage was done.

Mrs. Norman Eby's aunt from the States spent a few days at the Eby home.

The C.P.R. men who have been working on the Cremona tracks left last week.

With all this nice weather threshing machines are humming again.

Hazel van Haften, who is attending business college in Calgary, spent the week end at her home.

Allan Frizzell, who is employed at the Red and White store in Sundre, also spent the week end at home.

Mr. Rod McLeod of Sundre, a former Cremona resident, was a visitor here Saturday.

Cremona is proud of the new school van driven by Dan Russell.

Mrs. V.H. Jones of the Nubone Carpet Co. spent a very successful day in Cremona selling garments at Waterstreet's Clothing store on October 24th.

The egg shortage in Cremona is about as bad as the food shortage in Britain. We know of two girls who walked all over the country trying to get some eggs for threshers and only succeeded in getting two dozen.

Mrs. Matheson is back in Cremona after spending a month visiting her sister in Winnipeg.

Their cars having collided, Jock and Pat were surveying the situation. Jock offered Pat a drink from his bottle. Pat drank and Jock returned the bottle to his pocket.

"Thank you," said Pat, "but aren't ye going to have a bit of a nip yourself?"

"Aye," replied Jock, "but not until the police have been here."

BURNSIDE NEWS NOTES

Harry Richardson had the misfortune to fall from his threshing machine and injure his back. He went to Calgary for medical treatment, but is now back on the job again.

Mr. and Mrs. Jack Underhay were Calgary visitors last Thursday.

Bill Moon recently completed a well for W. P. Shultz. Rock was struck at six feet and the well was drilled to 80 feet before a good supply of soft water was secured, to give ample water for a new waterworks system. Mr. Shultz has also installed a new electric light plant.

Mr. and Mrs. Sandy Brander and family spent a couple of days last week in Calgary.

SUNNYSLOPE

Briton Nelson and Ethel Kaehn were married at Sunnyslope on October 26th. Congratulations!

A birthday celebration was held at the Bob Milligan home at Sunnyslope last Sunday in honor of "Granny" Brown, who is 86 years old. Over 70 guests were present at the gathering.

Mrs. Materson of Ponoka visited last week with her daughter, Mrs. Spud Frizel.

John Davis was thrown from a plow last week and injured his eye and received medical attention in Didsbury.

Mr. Jim Frizel Sr. has returned from Kimberley, B.C., where he visited with his sons, Everett and Dean.

IN THE EVANGELICAL UNITED BRETHREN CHURCH

Sunday, November 2nd, 1947—

The men of the Albright Brotherhood are observing "Men's Day" with a well planned program.

Sunday A.M.—Worship Service at 10:30 o'clock. Sermon by the pastor on the theme: "Men of the Brotherhood on the March." Special feature—Men's Chorus.

Sunday, 11:30 a.m.—Sunday School.

Sunday, 7:30 p.m.—Men's Day Program. This is entirely in charge of the men of the Brotherhood.

Presentations—

Men on the March—1st, in Fellowship by M. Dippel, 2nd, in Stewardship by A. Pedersen, 3rd, in Evangelism, by J. Hooper.

The men will also render special music in solo, duet, quartet and Chorus form, as well as instrumental music.

The men of the Albright Brotherhood of the Evangelical United Brethren Church extend to all a cordial welcome. "Blessed are they that dwell in the Lord's House: they will be still praising Him—Ps. 84:4.

ham.

PLEASE PHONE OR BRING
IN YOUR NEWS ITEMS

This newspaper cannot make a
house to house canvas for news,
but it is always glad to have it
phoned or handed in. We want all
the news. We are just as pleased to
mention your guests or your visit
as to mention doings of your neigh-
bors—but maybe your neighbors
co-operated with us in getting the
facts. Please let us have your news
items. Our columns are always
open to them. And remember they
must be in before Tuesday noon, if
at all possible.

Economical Housewives

There was a day when the house-
wives bought the far away “bar-
gain” in the belief that it was
good business to save a few pen-
nies. But experience taught them
a few things. Today's housewives
do not buy blindly. They examine
the article first and when satis-
fied with the product they pay a
fair price at home. It is economi-
cal to make your purchases in

DIDSBURY

Rev. and Mrs. D.C. Ely were Cal-
gary visitors Tuesday. Mr. and Mrs. Bill Ross of Car-
bon spent Sunday in Didsbury.
